

designed by
Manzoni&Tapinassi

jeremy

A happy marriage between design and architecture. The armrests and frame are intricately interlocked, and comfort levels are exceptional thanks to the mixture of polyurethane, shape-memory-foam and down padding. The neat feet give it a sense of order while also lightening and streamlining its silhouette.

17.0 cm | 6.7"

Feet available in metal finish

-pewter

Here are some suggested arrangements.

Manzoni & Tapinassi The original expressiveness of architect Maurizio Manzoni and the considerable experience of Professor Roberto Tapinassi merged in 2001 to form one of the most remarkable professional team-ups in Italy. Right from the beginning, the two designers shared a common vision of contemporary living, developing innovative solutions attuned to the Italian tradition geared towards research and cutting-edge solutions.
