stan

With its endless number of hidden functions, Stan is the epitome of compact versatility. The size of the seat can be adapted to customer requirements and the headrests can be moved electrically up and down and forwards until you find the right position.

features

by Enrique Marti

A pared-back design with generous seat cushions and tapered metal feet, giving this sofa a light airy feel. Available in both in-line and corner layouts but also as an armchair, it adapts easily to any living area. The 3-seater version measures just over 2 metres and you can choose larger or smaller seat sizes.

Relax functions

With Stan comes an incomparable experience of comfort: the Dual power mechanism features two different switches which activate the headrest and footrest separately. This enables you to adjust it until you find the position that suits you best. The Zero Wall space-saver system enables the recliner mechanism to be activated without having to pull the sofa away from the wall. The headrest has a dual function: it can be raised to provide enhanced comfort for taller people and reclined forwards manually to achieve the desired position while watching TV or reading a book.

Additional options

The fabric version of the sofa has been elevated with a leather detail that highlights its silhouette. You can choose the colour of the leather, which may contrast with or match the fabric.

Coverings

Upholstered in fabric or premium Natuzzi leather with exquisitely beautiful topstitching which brings out its sophisticated silhouette.

Feet height

11.0 cm | 4.3"

Feet available in metal finishes

- glossy chromed
- black chrome

Headrest and footrest can be adjusted separately for individualised comfort.

The incredibly versatile design of the **Stan** sofa allows for personalisation so you can achieve a result that suits your style, space and comfort requirements down to the ground.
