blossom

The 50s make a stylish comeback in the Blossom armchair project. A highly inviting design alludes to the profile of a bud. Generous shapes confer a distinct visual comfort which is confirmed by the quality of its upholstery. The bergère profile is framed by a wooden base for an eclectic and refined aesthetic result.

NATUZZI
ITALIA

The stylish '50s are in full bloom again. The superbly comfortable and slightly retro aesthetic of **Blossom**.

Blossom armchair in Essential leather with wengé wooden feet.

features
