seagull

With its distinctive folded-over armrests ready to spread out like a pair of wings, Seagull is a tribute to the visual comfort that marked Natuzzi style in the '80s and '90s. Its soft silhouette instantly ushers in a sense of comfort which is further enhanced by the recliner mechanisms and adjustable headrests.

Claudio Bellini lives and works in Milan, the city of design. His creative streak was evident from early childhood, thanks to the work of his father, Mario Bellini a esteemed figure in the Italian design scenario and a great source of inspiration for him. The Claudio Bellini Design studio was founded in 1996 and, since the outset, its activities focused on research, new technologies, and creative processes.
