

Style always gets noticed; and style is the room with the Talento sofa. It features a unique retro design with curved wooden sides and high metal feet - with a glossy chrome finish or wood, walnut and wenge effect. Every detail contributes to give it a truly unique image. It can be assembled in several different configurations and covered both in fabric and leather (with contrast stitching). The Talento collection includes an armchair, also with metal feet and matching walnut finish.

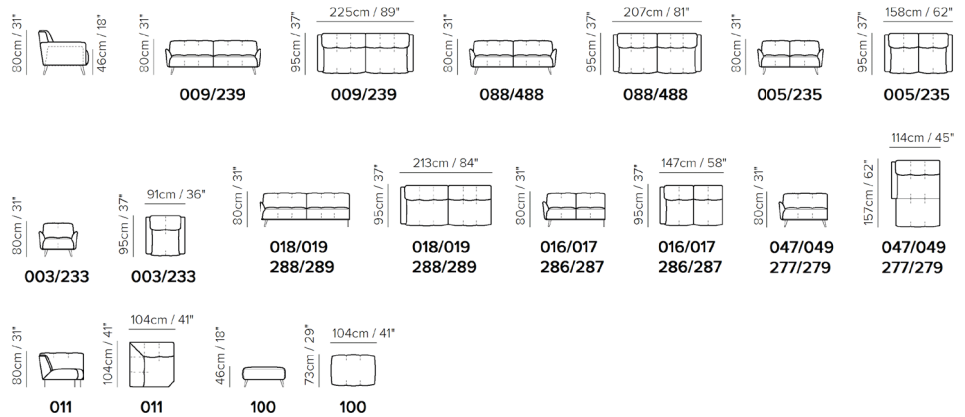

MOD B993

A perfect icebreaker.
