

Meraviglia represents research and innovation at the service of comfort. An ideal sofa for intense relaxation and reading, facilitated by integrated light. The seat and back can be adjusted thanks to the Soft-Touch mechanism, and the headrest manually according to the needs of rest, reading and watching the TV. A practical cup holder allows you to have even the drinks at hand, like at the cinema. And after the show, in just 5 seconds Meraviglia becomes a comfortable bed with pillows, thanks to the special storage compartment.
