

Relaxing shape, sensual lines, and original design: such is the Stupore sofa, a versatile protagonist of your space. Its sleek style immediately stands out, but the most surprising part of it is how comfortable it feels. Backrest pillows contribute to a total body relaxation experience. Thanks to the optional relax mechanism, you can adjust the position of the headrest and footrest. This means you can relax 180 degrees, much like being on a sofa but feeling on a bed. A rest on this sofa is a rest like no other.
