**ASTUZIA**  
sofa

Astuzia is where style meets comfort. Thanks to the optional Cubicomfort™ Triple-Motion technology, each seat on the Astuzia sofa has three independent, electrically-operated motion mechanisms, allowing the person in each seat to adjust the position of the seat cushion, backrest, footrest and headrest to the most comfortable position for them. Built-in USB ports make it easy to charge and connect with your mobile devices. It's the perfect sofa to create the relax and entertainment space for the whole family.
