skyline

Skyline is Marcel Wanders studio' tribute to a charismatic cosmopolitan globetrotter who comes back to Apulia, bringing with him a wealth of experience and inspiration. The classical overtones and the pleasant roundness of the Chesterfield give way to sharp New-York style architecture. This is where Via Appia and Park Avenue meet.

features

by Marcel Wanders studio

A modular system, making for a huge variety of different in-line and corner compositions, using open- and closed-base modules together. The modular seats feature intricate matelassé stitching on the backrest in a masterclass of elegant craftsmanship. Since seats are upholstered on all sides they can be placed separately throughout the house. Finally, Skyline also features tables, lamps, rugs, mirrors, bookcases and a bar area with a coordinated and distinctly contemporary look.

Relax functions

Each seat can be equipped with its own type of relax function. The manually adjustable backrest in its open-base modules offers a wide choice of seat depth. The closed-base modular seating elements can have either a manually adjustable headrest or a full-relax electric mechanism which moves the head-, back- and footrests. The Zero Wall space-saving system activates the recliner function without having to move the sofa away from the wall.

Padding

The exquisite high-density polyurethane padding is anti-allergenic, breathable and elasticated, ensuring maximum comfort and lasting support.

Coverings

Available in over 200 colours, the upholstery comes in fabric or exquisite Natuzzi leather.

Here are some suggested arrangements.

dove

Dove, created by Marcel Wanders and honoured with the Red Dot Award. Airy and dynamic in a graceful way, on the one hand it recalls its Italian heritage, on the other exudes cosmopolitan flair. Its additional backrest makes it relaxing to sit and lie on, ensuring exclusive Natuzzi Italia comfort in two different seated positions. A new icon of lightness and edginess - and an eye-catching centrepiece in any living space.
