piuma

Sumptuously soft and airy in appearance, Piuma is lifted from the ground by its open base almost as if it were floating. Suggestive of two pillows joined in the middle, the headboard offers high comfort levels. It has been trimmed around the edge with an exquisite ruffle detail lined on the inside with plush velvet.

mondrian

A pared-back silhouette and a pristine minimalist design. The chest of drawers and bedside tables from the **Mondrian** collection pay tribute to the geometric purity of the past master of abstract art.

Mondrian bedside table shown with a matte mocha-brown lacquered surface and coffee-brown metal feet.

Claudio Bellini lives and works in Milan, the city of design. His creative streak was evident from early childhood, thanks to the work of his father, Mario Bellini a esteemed figure in the Italian design scenario and a great source of inspiration for him. The Claudio Bellini Design studio was founded in 1996 and, since the outset, its activities focused on research, new technologies, and creative processes.
