Padded bed available in different sizes to adapt to every space requirement.

The ergonomic design of the headboard which is padded with high-quality polyurethane offers comfort and support.

The headboard is also upholstered at the front to allow you to place the bed in the middle of a room.

The tastefully upholstered conical feet taper downwards, visually lightening the design.

The Venere bed elegantly furnishes the sleeping area and is completed by a bedroom system of the same name, consisting of bedside tables and drawers.

## **Coverings**

Available in over 200 colours, the coverings come in fine Natuzzi leather or in a mixture of leather and fabric.

Here are some suggested arrangements.
